

Board of Public Education

Task Force Phase II

October 25, 2007

Purpose

To review and resolve K-12 education issues related to teacher qualifications/dual credit, supplement, not supplant, and funding.

Guiding Principle

Montana K-12 education serves the student learning needs of the present and future providing flexibility and ensuring quality.

Charge

The Task Force Phase II shall provide to the Board of Public Education and the education community recommendations for implementing distance, online, and technology delivered programs, including dual credit, which maintain the quality of standards for learning and teaching.
